

2023 Environmental Education Awards Sponsorship Menu

The mission of the Rhode Island Environmental Education Association (RIEEA) is to support and promote high-quality environmental education throughout the state. We collaborate with all educators, students, and advocates to respond to community assets, needs, and aspirations. Our vision is a culture of environmental and social responsibility that drives equitable decision-making to create a healthy, safe, and just future for all Rhode Islanders.

Rhode Island has so many dedicated environmental educators working towards this vision who deserve recognition for the good work they do. Each year, members of the RIEEA community nominate educators, students, organizations, and schools for our annual Environmental Education (EE) Awards. In the past, we have presented these awards at our Annual Summit. This year, we will celebrate the 2023 winners at a ceremony at Save The Bay on Thursday, October 5. Winners will be invited to attend to accept their award, and family, friends, and colleagues will join to applaud them.

Your sponsorship will help offset the cost of this event and allow RIEEA to offer a sliding scale ticket model to ensure everyone can access our event regardless of their financial circumstances.

Sponsorship Features	Gold - \$5,000	Silver - \$2,500	Bronze - \$1,000
Exclusive title sponsorship of the program	✓
